CATIDE/ <u>UTILITY's Belief that SPD Will Win 1965 Elections</u> ACTION OCCURRED - 1965			

REF: EGMA-65847

1. At the CATIDE reception on 18 January UTILITY remarked to           that he expected an SPD victory in the 1965 elections.

2. We think the information in Reference para 1 tends to confirm that UTILITY is thinking along these lines. Although the Fedrep government has approved the           operation, UTILITY does not desire to go ahead until he has briefed the Socialist leaders.
